UNIQUE LIKE A FINGERPRINT

The typical red sandstone with black granite, stainless steel, fine wood combined with authentic prison bars, comforts a short or long stay. In addition to the exciting accessories adds up to a one of a kind experience to the sophisticated atmosphere of Alcatraz Hotel.

What was once a German prison now consists of 56 rooms, suites and its very own conference centre which makes an unforgettable adventure along with our service concept. „Your experience is our pleasure.“

JOSH SIMPSON National Team Player Canada

“Alcatraz has got incredible character right in the middle of Kaiserslautern, I lived there for 2 years so of course I love the place. Great friendly staff and clean new rooms with an incredible bar off the lobby.”

SUBTLE ELEGANCE

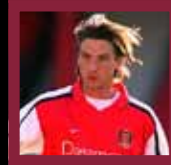

True size is not great diversity, but the art of simplicity. Consequently, our house is marked by a subtle elegance, a combination with high-quality accents.

THE SPECIAL EXPERIENCE

The only prison cells in Germany locked up by the inside: our cell rooms. The cell rooms were kept in the original build: size, windows with prison bars and original cell-doors with serving hatch – but you can enjoy a service that prisoners didn't know!
